Potentate Charles F. Watson, Riv.2122-M

Not Far Away!

May 26 is close at hand, and it behooves every Noble to make his plans for being present at the Corner-Stone laying and Ceremonial. The 26th coming on a Monday, as it does, will doubtless cause some inconvenience, but it is rumored that Mayor Leonard may call the 26th a local holiday, and in such a case it would greatly simplify things for those Nobles who would ordinarily have a hard time getting away from work. However, Monday is the only day on which the Imperial Potentate and other Notables could be here, and it is up to all of us to make the best of it.

You Must Have Your
1924 DUE CARD
To get in at the Ceremonial

Remember, and see
NEDD BROWN

Springfield Post No. 21, of the American Legion is making a drive to get every home in this city to display flags on Memorial Day May 30. Certainly the cause is a worthy one, and deserves all the help that the Nobility can offer. Shriners have always stood by their country's flag, in time of need, and now that interest in honoring the memory of those who gave their lives for their country seems to be lagging, it is a most opportune time for us all to do our little part in stimulating that interest. In case you do not happen to have a flag at home, the American Legion is willing to furnish them, at cost, Apply at Post No. 21, at 121 State St., Springfield, or phone River 8295. Let's have an American Flag in every American Home on Memorial Day!

Here's the Latest!

Chairman George M. Hendee of the local Shriners' Hospital building committee and Charles F. Watson, potentate of Melha Temple called a joint meeting of the building committee and of officers and members of Melha Temple, Saturday afternoon, April 26 at the Shrine Club house.

A definite program was adopted for the ceremonies of the laying of the corner stone on May 26, of the New England Unit, Shriners' Hospitals for Crippled Children, and careful plans were rehearsed for the reception and entertainment of the distinguished dignitaries who are expected to attend. The actual laying of the corner stone will be under the direction of and by the hand of Rev. Dudley H. Ferrell, Grand Master of Masons in Massachusetts, assisted by Conrad V. Dykeman,Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine. Governor Cox of Massachusetts, who is a Shriner, has accepted an invitation to attend. Invitations have also been extended to the officers and members of all neighboring Shrine Temples, to the imperial officers of the order, to the members of the imperial board of trustees of the chain of Shriners' Hospitals, to the officers of the Grand Lodge of Masons in Massachusetts, and to every lodge of Masons in the state. So far as the corner stone ceremonies are concerned, however, Grand Master Ferrel will have complete authority,—all the various local and visiting officers and organizations will in effect act as escort to him and his suite.

After the ceremonies of the laying of the corner stone, Potentate Charles F. Watson will invite all visiting Nobles to an elaborate initiatory ceremonial by Melha Temple to be held in the Coliseum on the Eastern States Exposition Grounds in West Springfield.

The laying of the corner stone will of course be open to the public, and Springfield will be treated to a sumptuous spectacle as the various Masonic and Shrine bodies form into parade formation downtown and march to the hospital site on upper Carew Street.

Noble Hendee announces the various committees as follows:

Melha's Marching Men

Arab Patrol Dance

The Arab Patrol Association of Melha Temple will hold its annual dance at Riverside Park, on the evening of Friday, May 16. This is the night before the public opening and as usual a large turn-out of Nobles and their ladies are expected for the event. McEnelley's Orchestra will furnish the music and everybody who has heard this splendid orchestra this season says they are even better than ever. For several years the Patrol Association have run successful dances on the nights before Riverside opened and from experience they have found out exactly what the Nobles want for entertainment, and have become very proficient in giving everyone who attends a fine time. Tickets may be secured from N. W. Brown at 144 State St. at the Temple, or from any member of the Patrol Association Dance Committee, of which Noble Robert P. Childs is Chairman. The following Nobles are aiding Chairman Childs in perfecting arrangements for the party. See them for tickets:

Forrest L. Mather	R. F. Tarbell
H. A. Clark	I. C. Van Heusen
R. H. Cowing	Geo. Wilson
C. A. Frazer	C. P. Watson
C. D. Fleming	H. L. Ross

PATROL ASSOCIATION MEETING

(*Continued from page 10*)

tion seems to be going along very smoothly with everyone working in harmony. The attendance has been very satisfactory at all the latest suppers and more and more Nobles are coming around each month.

The legion received a visit from an inspector from the State House a few days ago, who dropped in to look over the rifles and see that they conformed to the rulings laid down by the Adjutant General's office. After inspecting the ancient artillery reposing on the gun racks he betook himself off. Further details later.

Our Potentate has received an invitation from Pyramid Temple to attend a Grand Field Day and general celebration to be held in Bridgeport the latter part of July. 14 Shrines, including one from Maryland, have already accepted and will be there with their Bands, Drum Corps, Patrols, Legions and other bodies. Our "Pote" has also accepted, so that Melha is assured of being represented, and arrangements for a special train are now under way. The exact date will be announced in the next issue of Camelha.

The trips to Atlantic City and New York, for the Corner-Stone Laying of Mecca's Mosque. will depend largely on the financial situation in the Melha treasury at those times. If, however, things turn out as is hoped, Melha will have the chance to take these two trips, which should both be fine ones. Details later.

If The Sun Will Do Its Part

If the sun will only shine on May 26, everything else will proceed in splendid shape. Plans have been completed for all the festivities of the day, and every precaution is being taken to have all details in smooth-working order for the big events to come. Your officers have everything in readiness to give every Noble a fine time, and nothing is being overlooked that will add to the fun of the occasion. All they ask is that the sun shine on Monday, May 26, and that you boys get busy and round up a big class of candidates. Remember, there are only a few days left.

Melha's Marching Music

Drum Corps Theatre Party

The Drum Corps had a very successful theatre party at the Strand Theatre. The Corps with the Patrol marched up to the Strand and those in charge had arranged a very fine entertainment. Included in the program, and a feature of it, were the musical organizations of the De Molay Boys, who performed most creditably. These youngsters have the right spirit and it is easy to see that their organization is a live one, and one that is destined to grow rapidly. A very pleasing amount was raised by the Corps through the show, which will be used for equipment purposes. The Corps is making splendid progress under the direction of Noble Fred Blair, and members who have heard them play lately say they are just about perfect.

Polish up that Fez!

A Big Show! A Great Show! Come see the great SER-EE-MOAN-EE-ELL on May 26, and bring your candidates. First there's the Corner Stone to be laid up at the Hospital—and then to the Coliseum at the Eastern States, where there will be a very merry time. Five of the Imperial Trustees are coming! The Imperial Potentate will be there! Past Imperial Officers will attend! Governor Cox and Suite will be present! Grand Master Ferrill will lay the Corner-Stone! Governor Templeton is expected! There will be Music, Parades, Speeches, short and snappy. Food, Drilling, and lots of fun with those who have chosen this as the occasion to cross the burning sands. And, by the way, a fair sized number of candidates have already signed up—try to see if you can't help to make it a record crowd. We want all the candidates we can get and the more you get the more fun you'll have. Sign 'em up, Noble!

The Bull Pen
The Bull Pen is devoted to space for Nobles who have a kick to make or a grievance to air, or who want an opportunity to throw a little "bull" on any subject. Camelha will print anything sent in for this column, providing it gets by the postal authorities, and providing the Noble sending it in will sign his name, though the name need not appear if so desired. Go to it, boys, the more "bull" you throw the better we like it.

Editor of Camelha:

Dear Sir: Some kind soul installed a Radio in the Club rooms some time ago, and evenings you can see the Nobles sitting around enjoying themselves, listening in to some excellent programs. Personally, I think that it was a very good idea, and also think it would liven things up, if we had a really good Player Piano and Phonograph also in the rooms. It might interfere a bit with some of those who enjoy sleeping, but, then, those who do should do their napping at home. I am not a "nut" on music, but I do like to see the rooms look lively, as they do whenever one of the organizations are meeting there, and I think a little music, now and then, would be very acceptable to the great majority of the members.

I'd appreciate it very much if you could see fit to print this in the next issue of Camelha, which I enjoy receiving, if you care to know.

Fraternally,
B. A. S.
